About The Visiting Nurse Association of South Central Connecticut

Founded in 1904, the VNA/SCC, the original VNA of New Haven, Milford and the Valley, is a state licensed, non-profit, community based home health care agency. The VNA/SCC staff consists of highly skilled nurses, therapists, medical social workers and home health aides. A vital resource to the communities it serves, the VNA/SCC provides a wide range of specialized clinical services, community programs, the Nurturing Families Network and subsidized care to those who are in need. The agency employs over 240 staff members, has an average daily census of over 1,000 patients and makes over 150,000 home visits per year. The agency is the founder of the Nightingale Awards for Excellence in Nursing. The VNA/SCC is supported in part by The Community Foundation for Greater New Haven, local United Way organizations, corporate sponsors and individual donors. The agency has a private-duty affiliate, CareSource. CareSource strives to maximize the quality of life for its clients and their caregivers in the home and health care settings. Their services include private duty nursing, homemakers, companions and live-in home health aides. Both VNA/SCC and CareSource are CHAP (Community Health Accreditation Program) accredited.
